

LEGAL WRITE PUBLICATIONS
LITERARY ENTREPRENEUR SERIES™ TITLES

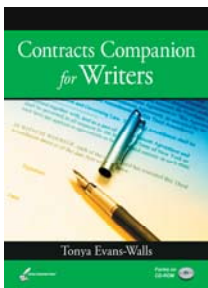

Legal Write
Publications

Everything writers and industry pros need to know about
copyright, trademark and contracts from an expert!

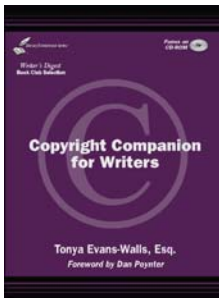

Literary Entrepreneur Series™ titles, written by noted intellectual property and literary lawyer, Tonya Evans-Walls, are legal guides written with the rights of writers in mind. All forms are included in each Appendix and also on an enclosed CD-ROM.

Distributed by Independent Publishers Group

Contains the contracts most important to writers of all levels, with commentary and negotiation points drafted from the writer's perspective. This resource empowers writers to maximize the value of their work and teaches writers how and when to "get it in writing." If you intend to sign with an agent or publisher, collaborate with other creative people, hire designers or contributors, or seek permission to use other people's protected work in your own, this book is the answer to all of your questions.

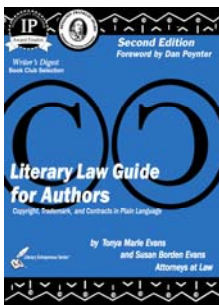

ISBN: 9780967457987 (July 2007) LIST: \$22.95

A comprehensive user-friendly reference guide that covers copyright creation and protection, the benefits of registration, why the Poor Man's Copyright is a MYTH!, the difference between fair use and public domain, how to seek permission to use copyrighted works, how to protect your copyright in the digital age, international copyright issues and more.

Writer's Digest Book Club® Selection

ISBN: 9780967457994 (Jan 2007) LIST: \$19.95

An indispensable legal resource for writers, publishers and other industry professionals who want to understand the legal advantages, disadvantages, and intricacies involved in the business of writing. This award-winning book is the layperson's comprehensive survey of copyright, trademark and contract laws.
